

Peachstate PCA Charitable Mission - Policy Statement

Adopted: 01/12/2026

Peachstate PCA is committed to giving back to our local community in the greater Atlanta area and across the state of Georgia. Our mission is to represent and engage our members in support of charitable initiatives that enhance the lives of our neighbors, strengthen our community, foster innovation and excellence in the automotive industry and motorsports.

Policy Overview

- **Charity Chair**

A Charity Chair position has been established to serve as a single point of contact for prospective charities or organizers of charitable events, review requests for support and present information and recommendations to the Executive Board. Chair will also serve as a resource for other Committee Chairs wishing to integrate a charitable component to planned events, as well as an accountability checkpoint with recipient organizations regarding their actual disbursement of awarded funding.

- **Focus on Local Impact**

- Supporting charitable, community organizations and automotive and motorsports programs that directly benefit metro Atlanta and/or the state of Georgia.

- **Eligible Organizations**

- Must be registered as a 501(c)(3) nonprofit if seeking monetary support.
- Must align with our mission statement.
- Exceptions are allowed, based on the decision of the Executive Board. (Example: supporting a natural disaster such as a hurricane or flooding.)

- **Types of Support**

- Monetary contributions to support the operation and allocation needs of local charitable organizations or charitable events benefiting such organizations, within the following tiers:
 1. Direct donation to the organization - amounts subject to our established budget and bylaws regarding Executive Board and Member approval process.
 2. Single match of Members' donations to the organization - amount subject to our established budget and bylaws regarding Executive Board and Member approval process.
 3. Incidental Expense within our general social media and communications budget - promoting charities or charitable events solely for the purpose of inspiring member direct donations.
- Volunteer support: Engaging our members to volunteer their time and skills to support local causes or charitable events within the community.

- **Review and Approval**

- The Charity Chair will review all charitable organization support requests based on the criteria mentioned above and submit recommended organizations or events to the Executive Board for review.
- Approval decisions will be made based on the alignment with our mission, the potential impact of the donation, and the availability of budgeted funds or other available resources.
- Selections and approved donations within the support tiers that result in direct or member-match club funding can occur throughout the fiscal year. Any annualized direct charitable donations by the club will be announced at the Members' Party generally held in February of the following year, or a similar date, to align with the closing of our fiscal year on 12/31.

- **Transparency and Accountability**

- Peachstate PCA is committed to transparency in our charitable giving. Recipients of donations will be required to provide feedback to the Charity Chair detailing the use of funds or resources and the

outcomes achieved. Recipient feedback will be reviewed by the Charity Chair for compliance with our Charitable Mission Policy and shared with the Executive Board.
