WELCOME

WELCOME TO RENNFEEST 2026!

Thank you for choosing to spend your Labor Day weekend with us here at Brasstown Valley Resort & Spa for what promises to be a fun-packed weekend of Porsche activities.

Rennfest has been on the Peachstate calendar since 1968, originally as the Rebel Rennfest! In its 58 years it has evolved to meet the interests of the members as those interests have changed. At its core has always been the connection between people that comes from a shared passion for Porsche. If this is your first time, be ready to make life-long friends and if it's your 57th, welcome back!

If you have any questions or needs this weekend, seek out myself or another volunteer.

WE HOPE YOU ENJOY THIS WEEKEND OF TOURS, COMPETITION AND CAMARADERIE.

ECHO PARK SPEEDWAY / AUGUST 23RD

AUTOCROSS

Porsche's reputation in motorsport is legendary and in the U.S. that often took the form of 356's and 550's beating much more powerful American muscle around airfield tracks.

Autocross is the spiritual successor to those early races, trading the wheel to wheel action with a race against the clock to get around the course.

This year's Rennfest Autocross took place at EchoPark Speedway on August 23rd. Nearly a mile long, the course is fast and open, perfect for all Porsches.

SATURDAY / AFTERNOON

THE RENNFEST RALLY

It's a well known fact that the people with the best stories at dinner on Saturday night take part in the Rennfest Rally!

A Rally is a competitive event in which you aim to get to each checkpoint in a predetermined amount of time. You score points for every second early or late and the team with the lowest score wins. It's a lot of fun and the roads are always amazing.

Each team comprises a driver and navigator. The drivers job is to drive at an accurate speed and the navigators job is to read the instructions and keep track of any special notes. Driver and Navigator both keep an eye out for the

course markers, road names and other things that the instructions reference to guide you from checkpoint to checkpoint.

Rally is run in two classes; **SOP** (Seat of Pants) and **Tour**. The main difference is that the Tour instructions include mileages and more street names, this doesn't necessarily make them easier to follow though!

THE LEGEND

RENNFEST: A BRIEF HISTORY

Rennfest has always been more than a weekend. For 58 years it has been Peachstate Region's premier event, bringing together friends from across the southeast and across the country for a weekend of fun and competition.

"We named it Rennfest, which in German means motorsport festival. It was an ambitious undertaking for us at the time, but with an enthusiastic membership and participation from our neighboring PCA regions, we pulled it off successfully and have continued to do so for 49 more years."

Mike Williford

ORIGINS AND EARLY YEARS

The very first Rennfest was held in 1969 at the Executive Park Motor Hotel on North Druid Hills Road. Comprising three events; Concours, Rally and Autocross and lots of socializing.

"It is the region's trifecta with Concours, Rally, and Autocross all rolled into one weekend."

In 1976, Ray Morgan introduced a Tech Quiz to Rennfest and the format that endured was complete.

Early events were located at Stone Mountain Inn, Pine Isle on Lake Lanier, the Dunfey Atlanta Hotel and at various places around Atlanta. Finding a home for hundreds of Porsche enthusiasts was no easier then than it is now. For the past 20 years, with a few exceptions, we've been at Brasstown Valley Resort in Young Harris, GA. Placing Rennfest right in the heart of the North Georgia mountains and within easy reach of our friends in Tennessee and North Carolina.

I highly encourage you to read some of the early Rennfest reports in our Presse archive (peachstatepca.org/presse).

NOTABLE GUESTS

Rennfest has attracted several well-known names over the years, both in cars and people.

In 1977 and 78 Chuck Stoddard came and autocrossed a 917 and Duncan Powers brought a 908.

In 1983 we were joined by Brian Redman at Stone

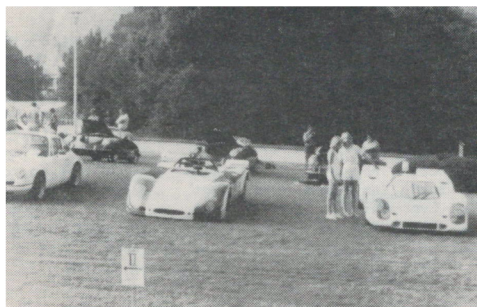

Mountain and then in 2007 and 2008 we were joined by legendary racer Vic Elford, who not only came to speak, but stayed the whole weekend and even took home the Pink Pig!

PCA Presidents, National Newsletter judges, and Zone Reps have regularly attended, including PCA Vice President Tom Gorsuch at the 50th Rennfest in 2018.

STORIES AND LEGENDS

A legendary event generates legendary stories. Whether it's tales of boat rides at Stone Mountain, dubious singing or fabulous 70's costumes at the 50th Rennfest. One story has endured through multiple years; that of course is the story of the Pink Pig.

A RENNFEST RITE OF PASSAGE

THE LEGEND OF THE PINK PIG

Long before this program existed, Peachstate Region had already invented one of its favorite running jokes: the DALBF award — Dead Ass Last But Finished — given each year to the rally team that found every checkpoint and still turned in the worst score.

Sometime in the 1980s, Mary Emard, wife of longtime member Doc Emard, built a papier-mâché pig trophy to go with it, meant to be carried home each year by the newest "winner."

That tradition held until 1991, when a rival Mid-South Region team made off with the pig during a rally, drove it across state lines to Memphis, and rechristened it "Smelvis."

What followed was a decade-long odyssey. The pig was passed, stolen, and re-gifted from region to region across the country, picking up new names, new costumes, and new legends at nearly every stop — a cross-dressing makeover in New Orleans, a stint in a closet in Oklahoma,

appearances in Dallas, Santa Fe, Salt Lake City, Sun Valley, the Pacific Northwest, and even Canada.

In 2000, longtime Zone 6 Rep Dick Grant finally tracked the pig down and arranged its dramatic return, presenting it to Peachstate's Betty Jo Turner at the Porsche Parade in Sacramento — reportedly the one time in her life she was left speechless.

After one more mechanical misadventure along the way, the Pig made its way back to a joyous welcome at Rennfest in 2001, and aside from one brief, quickly resolved incident with a Florida region years later, it has stayed safely in Peachstate custody ever since.

Guarding it is now written into the Region's bylaws as an official duty of the Region President — which explains the chains you'll see wrapped around it today.

Adapted and condensed from "Paeon to a Pig" by Bob Gutjahr, PCA Panorama, December 2001.

THE PINK PIG, BEARING THE SCARS & SIGNATURES OF ITS TRAVELS

THE PIG, BY THE NUMBERS

- **10 years** away from home (1991 - 2001)
- **8+ PCA regions** hosted it along the way

RENNFEEST CHAIRS

By 2026, Rennfest will be well past its 50th anniversary, but the core remains the same: a festival built on **Vergnügen, Auskunft, Freundschaft**—enjoyment, knowledge, and friendship.

"It has taken a great deal of planning and work to put on an event like this... Peachstate Region is indeed fortunate to have members who are more than willing to pitch in and make our Rennfest run like clockwork."

Thank you to all the past, present and future Rennfest Chairs and committee members!
